A Statement of Partnership

The Learning Environment

Children learn most effectively where:

- there is caring, trust and mutual respect.
- there are clear guidelines on the behaviour that is expected and there is parental support and backup.

Therefore the school will do its best to:

- Deliver a good Catholic Education.
- Create a warm, nurturing and safe learning environment.
- Have high expectations of every child.
- Provide exciting and engaging learning opportunities.
- Monitor progress and liaise regularly with parents.
- Provide opportunities for wider learning.
- Establish clear expectations for behaviour and standard of work.
- Listen to concerns.
- Provide clear guidelines on homework.

Parent's & Children's Responsibilities

Children

I will always do my best to:

- Treat others with respect and kindness, as Jesus showed us how to do.
- Try my hardest in all my work (10 out of 10 learning).
- Follow the St. Alban's Golden Rules.
- Listen carefully in every lesson so that I always know what to do.
- Be ready to learn with everything that I need for all lessons and the school day.
- Complete and hand in my homework on time.
- Attend school regularly and not waste any of my learning time.
- Lead the way by being a good role model and displaying good behaviour.
- Be a responsible member of the St. Alban's family and local community.
- Be presentable and wear my school uniform with pride.
- Not use inappropriate language, at any time, at school.

Parents

To help my child at school, I will do my best to:

- Have high expectations of my child's behaviour and application to learning.
- Be an ambassador for the school.
- Inform the school of any changes at home or any concerns that may affect my child's well-being and learning.
- Ensure that my child is presentable (including appropriate haircut for school) and wears the correct uniform (and P.E. kit) in school.
- Support the school by encouraging my child to develop a positive learning attitude (a 'can-do' attitude).
- Support school policies.
- Ensure that my child is early for school, so that learning opportunities are not wasted.
- Make sure that holidays are not taken during term time so that learning time is not wasted.
- Park my vehicle with consideration for children's safety and that of our neighbours.
